E
   Damn, I wanna run away

Damn, I wanna run away
B  Dbm
        Run until I'm far away
                    E         A
Run until I'm far away from you
      B      Dbm
Cold and untrue
             B
I oughta know by now that nothing last forever
        E
Yeah, I

Think about it, night and day

Think about it, night and day
B  Dbm
        That I just wanna run away
                   E        A
I just wanna run away from you
      B      Dbm
Cold and untrue
              B
'Cause, I can't take another day with you, not ever
      A
Yeah, I
