Em **C** **G**
Feeling my way through the darkness
Em **C** **G**

I can't tell where the journey will end

But I know where it starts
Em **C** **G**
They tell me I'm too young to understand
Em **C** **G**
They say I'm caught up in a dream
Em **C**
Well life will pass me by if
G
I don't open up my eyes
Em **C** **G**
Well that's fine by me

Em **C** **G**
So wake me up when it's all over
D **Em** **C** **G**

Didn't know I was lost

(Repetições)

Em **C** **G**
I tried carrying the weight of the world
Em **C** **G**
But I only have two hands
Em **C** **G**
Hope I get the chance to travel the world
Em **C** **G**
But I don't have any plans
Em **C** **G**
I wish that I could stay forever this young
Em **C** **G**
Not afraid to close my eyes
Em **C** **G**
Life's a game made for everyone
Em **C** **G**
And love is the prize
