

# Dish Carpens - Gotta Feel You

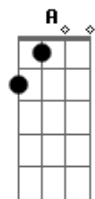

tom:  
Intro: B Em Gbm B Em Gbm B

Gotta feel you right down here  
Otherwise I don't feel full  
You fulfil my every wish  
Like no one else can fulfil

At night, when I feel that I'm by myself, dear

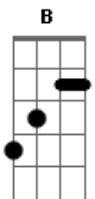

I turn to you and your wisdom speaks to me, clear  
"Everything is going to be  
Just as you want it to  
And everyone's going to see  
Just what is coming through  
And all the things you wanted to see, to know, to be... will be"
