

Disney - I See The Light - Tangled

```
Tom: C
All those days
Watching from the windows
All those years
Outside looking in
All that time
Never even knowing
C Am
Just how blind I've been
Now I'm here
Blinking in the starlight
Now I'm here
Suddenly I see
Standing here
   Em
It's oh, so clear
 Dm
I'm where I'm meant to be
And at last, I see the light
And it's like the fog has lifted
And at last, I see the light
And it's like the sky is new
And it's warm and real and bright
And the world has somehow shifted
All at once
Everything looks different
```
