

Disney - Lost In The Woods

```
Up 'til now
                        tom:
                                                      The next step was a question of how
Intro: A A7 D F
                                                      Gbm Bm E E I never thought it was a question of whether
      A A7 D
                                                      [Primeira Parte]
Again, you're gone
                                                      Where am I, if we're not together forever?
Off on a different path than mine
                                                      [Refrão 2]
        Gbm
I'm left behind
                                                           Db
      Bm
Wondering if I should follow
                                                      Now I know you're my true north
 D E A D
                                                         Ebm Ab
                                                      'Cause I am lost in the woods
You had to go
                                                       Fm Gb
And, of course, it's always fine
                                                      Up is down, day is night
                                                           Ebm
                                                      When you're not there
I probably could catch up with you tomorrow
                                                      Ab Db Bbm
Oh, you're my only landmark
[Pré-Refrão]
                                                          Ebm Ab
                                                      So I'm lost in the woods
But is this what it feels like
                                                      Ab Db Gb
 Bbm B
                                                      Wondering if you still care
To be growing apart?
      D Bm
                                                      [Ponte]
When did I become the one
    E E
Who's always chasing your heart?
                                                      But I'll wait
                                                        Gb
[Refrão 1]
                                                      For a sign (for a sign)
                                                      That I'm your path
Now I turn around and find
                                                         Bbm
                                                      'Cause you are mine (you are mine)
 Dm G
I am lost in the woods
                                                         Ebm
  Em
                                                      Until then
North is south, right is left
                                                        Ab
                                                      I'm lost in the woods
 Dm
When you're gone
                                                                 Db7 Gb
I'm the one who sees you home
                                                      Lost in the woods (lost in the woods)

A7M A Db Db7
  Dm G
But now I'm lost in the woods
                                                      I'm lost in the woods (lost in the woods)
           С
                                                        Bbm
And I don't know what path you are on
                                                      I'm lost
           A D A
I'm lost in the woods
                                                      I'm lost in the woods
[Segunda Parte]
                                                      [Final] A Aadd9 A Db
