

Disney - O Rei Leão II - My Lullaby

tom:

D

Hush, my little one
Dm Eb
You must be exhausted

Sleep, my little Kovu
Dm Eb
Let your dreams take wing
Dm A Dm Bm
One day when you're big and strong
Gm A7 Dm
You will be a king

Good night, my little prince
Tomorrow, your training intensifies

(Eb Bb A Dm)

I've been exiled, persecuted
Dm G
Left alone with no defense
G A Dm
When I think of what that brute did
Bb A Dm
I get a little tense
Gm Gb
But I dream a dream so pretty
Bb C
That I don't feel so depressed
Am Dm
'Cause it soothes my inner kitty
Bb A Dm
And it helps me get some rest

D Eb
The sound of Simba's dying gasp
D Eb
His daughter squealing in my grasp
D A Dm Bb
His lionesses' mournful cry
Gm A Dm
That's my lullaby

Eb
Now the past I've tried forgetting
Ebm Ab
And my foes I could forgive
Bbm Ebm
Trouble is, I know it's petty
B Bbm Ebm
But I hate to let them live

Abm G
So you found yourself somebody
B Db
Who'd chase Simba up a tree
Bbm Ebm
Oh, the battle may be bloody
Abm Bbm Ebm
But that kind of works for me

Eb E
The melody of angry growls
Eb E
A counterpoint of painful howls
Eb Bb Eb B
A symphony of death, oh my
Abm Bb Ebm
That's my lullaby

Ab B
Scar is gone but Zira's still around
Eb
To love this little lad
Gb Ab B
Till he learns to be a killer
Db B Bb7
With a lust for being bad

(Eb E)

Eb B
Sleep, ya little termite
Eb
I mean, precious little thing
Eb Bb Ebm Abm
One day when you're big and strong
Abm Bb Ebm
You will be a king

E B E
The pounding of the drums of war
E B Em
The thrill of Kovu's mighty roar
Bm
The joy of vengeance
Eb A
Testify
Am Bm
I can hear the cheering
C Em
Kovu, what a guy
Am G
Payback time is nearing
C
And then our flag will fly
Em Bm
Against a blood-red sky

Ooh, that's my lullaby
