

Disney - Something There

```
Tom: G
           [Verso 1]
There's something sweet
And almost kind
                          D7
But he was mean and he was coarse and unrefined
           C Cm
And now he's dear
        B F7
And so unsure
       Am
I wonder why I didn't see it there before
[Verso 2]
She glanced this way
I thought I saw
                               D7
And when we touched she didn't shudder at my paw
No it can't be
           B E7
I'll just ignore
            Am
But then she's never looked at me that way before
[Refrão 1]
```

```
D7
And a bit alarming
                            Α7
Who'd have ever thought that this could be?
[Refrão 2]

True
That he's no Prince Charming
But there's something in him that I simply didn't see
( Am D7 G )
[Verso 3]
Well, who'd have thought?
Well, who'd have known?
                                          D7
And who'd have guessed they'd come together on their own?
We'll wait and see
          B7 E7
A few days more
There may be something there that wasn't there before
                                    D7
                        Am
perhaps there's something there that wasn't there before \bar{\ \ }
                                D7
There may be something there that wasn't there before
