

## Disney - When We're Human

tom: Intro: E B [Primei Parte] If I were a human being I'd head straight for New Orleans And I'd blow this horn so hot and strong Like no one they've ever seen You've heard of Louis Armstrong? Mister Sidney Bechet? All those boys gonna step aside When they hear this old ex-gator play Listen! (Db Ab) [Refrão] When I'm human As I hope to be I'm gonna blow this horn Dh 'Til the cows come home And everyone's gonna bow down to me [Segunda Parte] When I'm myself again I want just the life I had A great big party every night That doesn't sound too bad A redhead on my left arm A brunette on my right A blonde or two to hold the candles Now that seems just about right Eh, Louis?

## [Prechorus]

Life is short

When you're done, you're done

We're on this earth to have some fun

And that's the way things are

[Refrão]

When I'm human And I'm gonna be

I'm gonna tear it up like I did before

Dbm

And that's the royal guarantee

[Terceira Parte]

Your modesty becomes you

And your sense of responsibility

I've worked hard for everything I've got

And that's the way it's supposed to be Db

When I'm a human being

At least I'll act like one

If you do your best each and every day

Good things are sure to come your way

[Refrão]

What you give is what you get

My daddy said that and I'll never forget

And I commend it to you

When we're human

And we're gonna be

I'm gonna blow my horn

I'm gonna live the high life

I'm gonna do my best to take my place in the sun
