

# Disney - Where Dreams Begin

Tom: D  
Intro: opcional: D G D A

D  
just put your hand in mine  
G D A  
go where dreams begin  
D A  
everyone has their own star in the sky  
B  
there's one for you and me  
G A B  
yes it's a magical light  
A  
that shines high up above  
B  
far as the eye can see  
G A  
it shows us the way  
G E G  
lead us safe through the night  
A B  
into a lovely fantasy  
A  
its heavenly glow  
will help our love always grows  
G  
so take my hand  
A  
don't let go and you'll see  
D G  
just put your hand in mine  
B  
and then we'll go where dreams begin  
A D  
i'll teach you how to fly  
G D A  
and then we'll go where dreams begin  
G  
it's a wonderful ride  
A  
as we scale the heights  
D  
there's no better view or place you've ever been  
G  
the signs are clear with you  
A  
where dreams begin  
D A  
everyone wants someone they call their own

D A B  
love really holds the key  
G D  
so if you open your heart  
A  
it will open your eyes  
G  
it's not a mystery  
A  
you don't need a map  
E G  
to show you the road that you're on  
A B  
'cause you already know the way  
A  
directions are clear  
G  
you're getting ever so near  
G

there's nothing else to fear  
A  
don't delay  
D  
just put your hand in mine  
G D  
and then we'll go where dreams begin  
A D  
i'll teach you how to fly

and then we'll go where dreams begin  
A G  
it's a wonderful ride  
A  
as we scale the heights  
D  
there's no better view or place you've ever been  
G  
the signs are clear with you  
A  
where dreams begin  
D  
we're in the place where dreams begin  
this is the place of dreams begin  
we're in the place where dreams begin  
the place for love to come on shining  
A  
if you open your heart  
E  
you keep the star as your guide  
A  
you know that love can save the day  
D  
the dreams that you hold  
A  
see how they turn into gold  
E  
so let the story be told right away  
G A  
just put your hand in mine
