Afinação: Eb Ab Db Gb Bb Eb

Intro: E A E A
There's a girl I knew
Down in Louisiana
She was my babe
'Til she died in Alabama
Her only vice was to kiss me
In every little way
Well so that's the point
When I was not at home
She used to kiss another men
This was a dangerous game
She chose to play alone

And now I'm on this way
Without my freedom
And without my girl
Louisiana Kissin' Girl
You just put me in jail
But I'm not guilty
To proceed in your madness
You kissed a man
Our wall neighbor
Your friends had already warned you
Your mother was worried
But you didn't care
And so his wife had a gun
A federal woman
That you made quite angry
