tom:

G

C

Listen, everyone

C

The time will come when all of us say goodbye

C

Feel that aching in your heart

C

Leaving you broken inside

C

But we're never really gone

C

As long as there's a memory in your mind

Am G C

So now go do the best things in life

C Em

Take a bite of this world while you can

Am G C

Make the most of the rest of your life

C G

Make a ride of this world while you can

C

Take the ones you love

C

And hold them close because there is little time

C

And don't let it break your heart

C

I know it feels hopeless sometimes

But they're never really gone
