

# Disturbed - Uninvited Guest

tom:

Am

[Primeira Parte]

Thought I was rid of you  
Thought it was over with  
Thought I was over it  
Thought I evicted you from my heart  
Kicked you out of my mind  
So nothing left of you  
Wouldn't be left behind

[Pré-Refrão]

F Am F  
Ooh, but you still take up all my space  
You just won't go away

[Refrão]

Like an uninvited guest, uninvited guest
