

# Djavan - Celeuma

Tom: C

Intro:

Não me deixe sem me ouvir falar

Não me faça um troço desse

Depois não adianta mãe pra ajudar

É bronca pra ninguém resolver

Sem você seria pobre e infeliz

E essa tal eu mal conheço

Pois nem que eu estivesse fora de mim

Jamais iria com essa aí

Am Por um nada você paga E quem acaba no sal sou eu

Am Sai comprando sem olhar 0 que essa gente quer vender

Am Encrocado, acu--sado Por uma falta que não condiz

Eu prefiro morrer A dar ouvido à celeuma e lhe perder

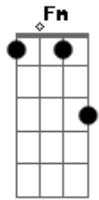

Não me deixe sem me ouvir falar

Não me faça um troço desse

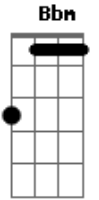

Depois não adianta mãe pra ajudar

É bronca pra ninguém resolver E(#5)
