Gb7  
 Eu já nem sei quem sou  
 G#7-  
 Tão dedicado a ti  
 Bbm7 B7M Bbm7 Bm7add9  
 Um cobertor pro frio  
 Gb7  
 Queria ser teu "om"  
 G#7-  
 Viver grudado, sim  
 Bbm7 B7M Bbm7 Bm7add9  
 Sempre ali, sempre ali

Ebm Bm  
 Não sou nada indelével  
 Bbm7 G#7add9  
 Sou instável como a cidade

Ebm Bm  
 Mas carrego pau e pedra  
 Bbm7 G#7add9  
 Só para ver-te mais à vontade

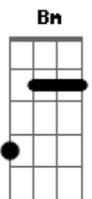

B7M Bb7  
 Sem o mar a cobrir-te de sombras ou cores  
 Ebm7 G#7add9  
 Livre pra amores desses que vêm e vão

B7M Bb7  
 Sob o bronze da noite onde o mais são estrelas  
 Ebm7 G#7add9  
 Todas ali para vê-la como fazer com os homens

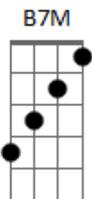

B7M Bb7  
 Ah! você que nasceu com o leito pro rio  
 Ebm7 G#7add9  
 Que desafio Querer-te acompanhar!...

B7M Bb7 Ebm7 G#7add9
