[Primeira Parte]

Sorri quando a dor te torturar

Os seus dias tristonhos, vazios

Quando nada mais restar
Do teu sonho encanta__dor sorri

[Primeira Parte com variação na letra]

Quando o sol perder a luz
E sentires uma cruz
Nos teus ombros
Cansados, doridos

Sorri vai mentindo a tua dor
E ao notar que tu sorris
Todo mundo irá supor
Que és feliz

[Segunda Parte com variação]

Sorri vai mentindo a tua dor
E ao notar que tu sorris
