

DMA's - Do I Need You Now?

tom:
E
[Primeira Parte]

Gbm A
Change what you need, cause I'm picking up the bones
E D
Fell from hills and I'm heading home alone
Gbm A
I don't need no fire to show me how to spark
E D
Hello be thy enemy, I'll lead you through the dark
A
And it's free when you keep it
E
It's cool and unique
D
Never tear down common ground
A E
I'll give you what you need

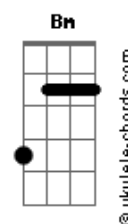

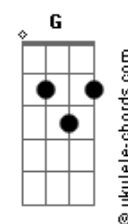

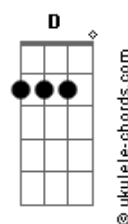

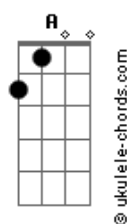

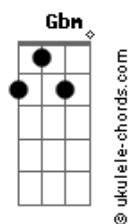

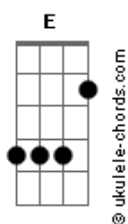

[Refrão]

G Bm A
Do I need you now, did I need you then
E
I don't know now but I'll figure it out
G Bm A
In a time to leave, in a space to mend
E
I don't know how but I'll make it the end
G Bm A
And I heard this time but silenced them
E
You tear me up and split it at the end
G Bm A
Do I need you now, did I need you then
E
I don't know now but I'll figure it out

[Segunda Parte]

Gbm A
Change what you need, cause I'm picking up the bones
