(com acordes na forma de G)

Capostrate na 1ª casa

Intro: C G D Em C G D

Primeira parte:

I was always the one dodgin' phone calls
From every girl that I met in my bed
But then you came around like a brick wall
You knocked me out, out of my head
Had me treating my Mondays like Fridays
Had me flying so high with no smoke
Always dreamin' of you, always with me
Damn it, I feel, feel like a joke

Refrão:

Speakin' truthfully, I'm not sure why we keep
Fightin', You just go blame the bad
Timin' and made it to me
Speakin' truthfully, I love you more than you love me

Segunda parte:

Getting more of your time was a challenge

Had me beggin' you like a schoolboy
Started treating me like a bad habit
So now I'm left, left with no choice

Refrão:

Speakin' truthfully, I'm not sure why we keep
Fightin', You just go blame the bad
Timin' and made it to me
Speakin' truthfully, I love you more than you love me
Now I know there's no use trying
To get me and you on the same page
When you say that you love me you lyin'

Refrão:

Speakin' truthfully, I'm not sure why we keep
Fightin', You just go blame the bad
Timin' and made it to me
Speakin' truthfully, I love you more than you love me
I love you more than you love me
Yeah, yeah, yeah
