When it comes to how I feel about you  
It is off the chart

Your words, like ice

They chill my beating heart

But the fire in my heart  
**Em**  
It will never die

**Em** **D**  
Gazing at the mirror other faces fade into my view  
**A7** **C**  
Lack of sleep and novels blur the edge of who?

Flower petals in the air

I burn for you  
**C**

My prince will never come
