

Dobie Gray - If I Ever Needed You

tom:
Intro: D E7 Dm Gm A
[Primeira Parte]

It's takin' some time to learn
How much it means to earn
A love that's only asking
To be loved in return
But I turned my back on you
Only to find it's true
Of all the arms that held me
No one holds me quite like you
Stay with me
Ooh, stay with me
[Refrão]

Baby if I ever needed you
I need ya now
There's nothing in my life that I'm more sure of
Since I've fallin' into your love
And I promise I'll make up
For all the hurt somehow
And I think it's time you knew
If I ever needed you, I need you now
(E Em Em A A)
[Segunda Parte]

I know that I should have seen
To leave you alone could be
An open invitation

Into someone else's dream
But stay with me
Ohh, stay with me

[Refrão]

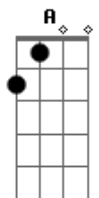

Baby if I ever needed you
I need ya now
'Cause nothing in my life that I'm more sure of
Since I've fallin' into your love
And I promise I'll make up
For all the hurt somehow
And I think it's time you knew
If I ever needed you, I need you now
(Gbm G Em A)

[Ponte]

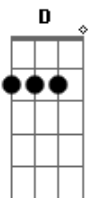

Oh the words I spoke to win your heart came easily then
Now I'm speaking from my heart
When I say to you again
[Final]

Baby if I ever needed you
I need ya now
There's nothing in my life that I'm more sure of
Since I've fallin' into your love
And I promise I'll make up
For all the hurt somehow
And I think it's time you knew
If I ever needed you, I need you now
If I ever needed you, I need you now
