

Doctor Pheabes - Ask of You

tom:

A

Can you make our love last Gbm
Forever and a day
Can you make my heart beat fast
And take me far away?
Cause baby now we're rolling
And we cannot control it
Can you save me from my past?
It's all I'm gonna ask of you
Gonna ask of you

A
I got my six string on my back
Got a lot of road ahead
But baby I'm alright
Baby I'm fine
Cause now I am coming home to you

There's a lot to be said
And a lot I don't care
And a lot to forget
But honey I'm alright cause now
I'm coming home to you

A E Gbm
Can you make our love last
Forever and a day

And take me far away?
