

Doctor Pheabes - Stranded in Love

tom:

D

Baby I don't wanna hear you talk

I know you better

Maybe I should say goodbye and walk

I'll leave you a letter

Baby don't you try to make me stay

Our love has faded

Maybe we can try again someday

But now I'm jaded

I can't turn back

Don't have a reason

I can't fall back

Into this prison

I'll always gonna be stranded in love

Stranded in love

Baby don't you try to make me stay

Our love has faded

Maybe we can try again someday

But now I'm jaded
