

# Dodie Clark - A permanent hug from you

**C**  
Thanks so much for a beautiful night  
**F**  
That's okay hope you get back alright in fact  
**C**  
It's pretty dark it's pretty chilly out there  
**F**  
tonight.

**C**  
I'll be fine I'll be smiling all the way  
**F**  
Shivering maybe but that's okay cause  
**C**  
I've got the memories to keep me happy and  
**F**  
warm

**D7**  
You came forward and looked me in the eye  
**G7**  
I could feel your breath you could hear me sigh

CHORUS:  
**F C**  
Taa a a a aake my jumper  
**F C**  
Wear it you'll need it on the train home  
**Bb G7**

**Bb G7**  
That I've been loved tonight  
**Bb G7 C**  
A permanent hug from you

**F C F**

**C F**  
So here I am my mind is going wild I'm smelling you constantly  
**C F**  
Oh the desire for you to be here like you were just seconds  
ago  
**C F**  
And I feel like I've stepped out of this world into a rom-com  
a novel  
**C F**  
Cause I am a girl who's in love and I'm wearing your jumper  
tonight
