

Dodie Clark - If I'm Being Honest

```
Holding my breath makes me choke
Intro: Bb Bb Eb
       Bb Bb Eb
                                                              How did i get here? it's all so quick and i feel sick
                                                              I'm used to being a joke
I was told this is where i would start loving myself
                            Bb
Flirting's delicious proved to be benefitial to mental health
                                                              Could you love this?
                          Bb
                                           Bb
All of my best bits pullet forward, collected, displayed
                                                              Will this one be right?
                           Bb
But sadly i just think that i was disgusting today
                                                              Well if i'm being honest
                                                              Fb
                                                               I'm hoping it might
You blew me up like a big ballon, far too soon
                                                               Bb
                                                                        Ebm
                                                               Could you love this?
I'm left a stuttering teen
                                                              Bb
                                                              Did you plan to fall?
                     Bh
How did i get here? it's all so quick and i feel sick
                                                                                Bdim7
                                                              Well if i'm being honest
Red pushing down on the green
                                                                                        Ebm Gm Bdim7 Ab F F7
                                                                  Eb
                                                              Oh i bet it's not that at all
         Fbm
Could you love this?
                                                              Bb
                                                              Could you love this?
Will this one be right?
                                                              Will this one be right?
                 Bdim7
Well if i'm being honest
                                                                                Bdim7
                                                              Well if i'm being honest
            F
I'm hoping it might
       Ebm
                                                              I'm hoping it might
Could you love this?
                                                                     Ebm
                                                              Bb
                                                              Could you love this?
Did you plan to fall?
                Bdim7
                                                              Did you plan to fall?
Well if i'm being honest
                                                              Gm
                                                                               Bdim7
                                                              Well if i'm being honest
   Fb
Oh i bet it's not that at all
                                                                         Bdim7
                                                               If i'm being honest
Hope has a cost, keeping all fingers crossed and held tight
                                                              Well if i'm being honest
                             Bh
But i look idiotic with my limbs all knotted it don't feel
                                                              Oh i bet
Truly you shake me and i think you like how i plead
                                                               It's not that
                                      Bb
                                                                bd
                                             Bb
But i have a hunch that that's all you wanted for me
                                                              At all
                                                               [Final] B Eb
You blew me up like a big ballon, far too soon
                                                                      Bb B Eb B
