E7

I hear he?s doing just fine

Perhaps the problem lies in

The double load I bear

I?m counting the mornings

But I can?t really tell

I wait to feel well

Am Am7 Am7 D7

Without me

but it?s pretty far from a breeze

And I hear he?s doing just fine

It?s breaking me he isn?t mine

but at least he?s doing just fine

Well at least he?s doing just fine
