

Dolly Parton - Do I Ever Cross Your Mind

Tom: C

Oh, sometimes I go walking through fields where we walked,
long ago in the sweet used to beat.
And the flowers still grow but they don't smell sweet,
as they did when you picked them for me.
And when I think of you and the love we once knew,
how I wished we could go back in time.
Do you ever think back on old memories like that,
or do I ever cross your mind?
Do you ever wake up lonely in the middle in the night,
because you miss me, do you darling?
Oh, and do your memories ever take you back
into another place and time?
Oh, and do you ever miss the feeling and the love we shared,
when you were with me, do you darling.

I just wonder, do I cross your mind.

Well, how often I wish that again I could kiss
your sweet lips like I did long ago.
And how often I long for those two loving arms,
that once held me so gentle and close.
And when I think of you and the love we once knew,
how I wished we could go back in time.
Do you ever recall these old memories at all,
or do I ever cross your mind?
Do you ever wake up lonely in the middle in the night,
because you miss me, do you darling?
Oh, and do your memories ever take you back
into another place and time?
Oh, and do you ever miss the feeling and the love we shared,
when you were with me, do you darling.
I just wonder, do I cross your mind,
or do I ever cross your mind.
