Tom: **D**

**Bm** **Gb** **G**

**A**  
I suddenly found myself drifting far from the shore  
**Bm** **Gb** **G**

**A**  
I was carried away much further than I'd ever gone before

**G**  
I thought I needed something better  
**D**  
My heart started beating  
**A**  
For empty pleasure  
**Bm** **G**  
But all I needed was you  
**D**  
Now it's only you  
**A**  
You're all that I want

Refrão:

**A** **Bm** **G** **D**

(Cuz) I have found in you my treasure true no other love will  
do **G** **D**

**A** **Bm**  
So I---I will give my all and keep on falling in love with  
you **G** **D**

**A** **Bm**  
Again and again again and again over and over again

**A** , **G** , **A**

All of the glamour n' glitz arrayed like alluring lights  
They'd shine all day long but left me longing and alone inside  
I thought I needed something better  
My heart started beating  
For empty pleasure  
But all I needed was you  
Now it's only you  
You're all that I want

(Refrão)

You're all that I want
