I cannot live my life daily knowin I am connected to you
So what am I to do
If I was in your shoes I hope and pray that someone reach out
to me and pull me from my blues
So won't you grab my hand baby, let me pull you to me
Let me see what I can do so you can be free
Let me grab your hand brother, let me help you now
Take this love from my heart and put this food in your mouth
And let me paint a picture of freedom
Let me paint the picture of healing
Let me paint the picture of humans through our lovin and given
We need bread
