

# Dominic Balli - Drink for free

Tom: **D**

(intro 2x) **G A Bm**

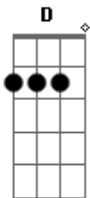

**Bm**  
Can you tell me wise man, what my life's about  
**G**  
Cuz I read somewhere, that he made me for his pleasure  
**Bm**  
That I sing by his hand, just cuz' he loves the sound  
**G**  
But can you tell me wise man, what my life's about (he said)  
**A**  
Why do you spend your money, on what is not bread  
**D**  
And your wages on what does not satisfy?  
**Bm A G**

**Bm**  
Can you tell me doctor, why I'm so lonely at night  
**G**  
Cuz I read somewhere, it's cuz I'm livin' with no hope now  
**Bm**

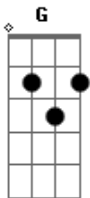

**Bm**  
Is this it doctor, I live then I die  
**G**  
Drink every passing pleasure, but never satisfied  
**A**  
Why do you spend your money, on what is not bread  
**D**  
And your wages on what does not satisfy?  
**Bm**  
**A**  
Why do you spend your money, on what is not bread  
**D**  
And your wages on what does not satisfy?  
**Bm A G**  
**Bm**  
Can you tell me why?

Come come unto the waters and drink  
Come come unto the waters waters  
Come come unto the waters  
and drink yourself to life
