

Dominic Balli - Fly

Tom: A

Intro: A Gbm A Gbm Bm E

A Gbm
I believed in you from the very start
A Gbm
No doubt that you a shooting star
Bm
Going places
E
Among the greatest
A Gbm
You could soar just like a rocket you
A Gbm
Could change the world if you wanted to
Bm
Little lady
E
It's not a maybe

D A
You don't need no helicopters
E Gbm
Hot air balloons or fancy charters
D A
Just spread your wings
E Gbm
And free your mind (ey-ah)
D A
You can ditch dem concrete kicks
E Gbm E
And reach for the satellites
D A
Ahead's only friendly skies
E
And baby you were meant to fly
D A
Baby you were meant to fly
E Gbm
Baby you were meant to fly
D A
Baby you were meant to
Intro: A Gbm

A Gbm
Sinatra said come fly with me
A Gbm

But lennon called it lsd
Bm
Now truly
E
Who needs lucy
A Gbm
Columbus and his ocean blue
A Gbm
And armstrong with that big 'ole moon
Bm
Yah they cool
E
But they got nothing on you

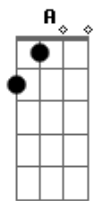

E B
Up up up and away you go
Gb Abm
Up up and away you go
E B Gb
Up up up and away you go

(Sobe Tom)

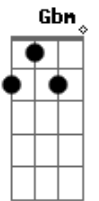

E B
You don't need no helicopters
Gb Abm
Hot air balloons or fancy charters
E B
Just spread your wings
