me from the day my mom and dad made me

Dbm E
When my lips speak "I'm loving you"

B A
Is it really true, if I turn around and just hate you

Dbm E
And do you still want me, if it's a broken me

A B
Is it all of me, if it's just part of me

(Abm Gbm Abm Gbm)

Dbm B
Come and now take all of me ways
Some of them wrong
run em out thee gaze
Show me your face your grace
surroundin me foundin me makin that love abound in me
My ways some of them wrong run em out thee gaze
Show me your ways and they confoundin me, groundin me,
makin that love abound in me
Never to fear tomorrow
He's takin all my sorrows, they run away
My flesh gonna fist fight to the bite of death
Till the end of Babylon come already undone and underway

(Abm Gbm Abm Gbm)

Dbm E
Why can't I do the things I want to do

B A
All these things for you , it seems I cannot do

Dbm E
B A
It's the man crucified with you upon that tree who I used to

be, he tries to make believe he still rules me

B A Dbm
To understand the man that I am is to comprehend, before my
time in life had began

E B
This man you see, born in slavery

A Dbm
Who will deliver me, please deliver me
There's a war going on, I fight the flesh
It's life or death, freedom for a wretch a mess
Listen

Dbm E
Back against the wall, stumble and you fall quicker

B A
Retreat from it, when you feed it then it grows bigger

Dbm E
Who can deliver me, honestly, I can feel it inside of me

B A
Raging on in my members and grabbing hold of me violently

Dbm E
Where can I turn Lord, from my own sin

B A
Is this all you ask cause this is all I am

Abm Gbm

All you want is all I am
All I am is all I have
All you want is all I am
But all I am is all I've got to give
It's all I've got to give
It's all I've got to give

Dbm E B A
Take me this sacrifice of me
It may be broken, it's all of me now
Take me this sacrifice of me
It may be broken, it's all of me now
I feel like I'm falling now indefinitely
I feel it something deep down it's like it's calling me
Get up, get out, but Lord seriously if what you wants I got a
sacrifice of me.
