

Dominic Fike - Babydoll

tom:

Intro: Dm A Dm A G

I can't move on, babydoll

Waitin' on calls, flippin' through stations

I'm outclassed and it's outrageous

I'll take it all, babydoll

Whatever's been weighin' you down

Find me on Miami concrete

Lookin' for somebody different 'cause my daddy was a pimp

My mama had her issues but I miss her anyway

Oh, babydoll

Please don't call me for the wrong reasons

We both know exactly what I'm thinkin'

Weeks pass and I never grow tired

'Cause I never said never and I barely ever lie

I'm on the road to an original place in outer space

I didn't make it up, but you can't find it on a phone or a globe

And I can take you with me if you really wanna go

Oh, babydoll, I can't move on

I can't move on, babydoll

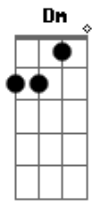

Waitin' on calls, flippin' through stations

I'm outclassed and it's outrageous

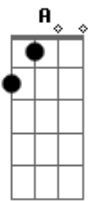

I'll take it all, babydoll

Whatever's been weighin' you down
