```
tom:

Bm Am D G
Oh, I loved you, miss
Bm A D G
And you will be grieved, I swear
Bm A D G
But I won't be blamed
Bm A D Em7
'Cause I loved you, miss

Bm A D G
She moans and she falls and you rarely ever see
Bm A D G
Just where she goes when she's not here standing next to me
Bm A D G
From what I understand, it's somewhat so outlandish
Bm A D G
That she don't wanna be seen

Bm A
Hey, yeah
D G
```

```
Hey, yeah

Bm A

Hey, hey, hey
D G

Hey, yeah
Bm A

Hey, yeah, yeah
Bm A

Hey, hey, hey
Bm A

Hey, hey, hey
Bm A

Hey, yeah, yeah
Coh, I loved you, miss
Bm A D G

And you will be grieved, I swear
Bm A D G

But I won't be blamed
Bm A D Em7

'Cause I loved you, miss
