

Dominic Fike - Misses

tom:

D

Oh, I loved you, miss

And you will be grieved, I swear

But I won't be blamed

'Cause I loved you, miss

She moans and she falls and you rarely ever see

Just where she goes when she's not here standing next to me

From what I understand, it's somewhat so outlandish

That she don't wanna be seen

Hey, yeah

Hey, yeah

Hey, yeah

Hey, hey, hey

Hey, yeah

Hey, yeah

Hey, yeah, yeah

Hey, hey, hey

Hey, yeah, yeah

Hey, hey, hey

Hey, yeah, yeah

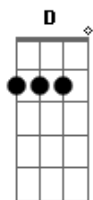

Oh, I loved you, miss

And you will be grieved, I swear

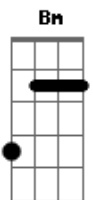

But I won't be blamed

'Cause I loved you, miss
