Don Johnson - Heartbeat

```
                              tom:
                   Abm (forma dos acordes no tom de Am )
                        Afinação: Eb Ab Db Gb Bb Eb
```

```
              Am
I don't care what you say
G
you can give it away
F
Your money don't mean much to me
Am
I've been out on my own
G
gonna got it alone now
          F
'Cause that's the way it's got to be
          G        F                   Dm        Am  G
Everybody tells me how I can beat the odds for now
                            F
Well I've been standing by the fire
        F                G
but I iust can't feel the heat
                  Em
Can?t feel the heat

Am                              F
Heartbeat I'm looking for a heartbeat
Am                              F
Heartbeat I'm looking for a heartbeat
G            Dm
  beating like mine

Am
Looking at me
G
```

```
it's easy to see
        F
You think you know just how I feel
    Am                             G
If you do to me wrong and it won't take me long
F
Before my restless heart will heal

                         G
I'm looking for a love
                F
love like mine
                               Dm        Am  G
They tell me it's so hard to find
F
But I can feel it in the rhythm
                             G
Of the heartbeat in the street
E
In the street

Am                              F
Heartbeat I'm looking for a heartbeat
Am                              F
Heartbeat I'm looking for a heartbeat
G            Dm
  beating like mine
                   Am
beating like mine
                   Cm                       Ab      B
Tell me what you feel now without the heartbeat
                   Cm                   Ab      B
Tell me is it real now without the heartbeat?
Am                              F
Heartbeat I'm looking for a heartbeat
```
