And I love you so (Don McLean)

1.Verso And I love you so
The people ask me how
How I've lived till now
I tell them I don't know

I guess they understand
How lonely life has been
But life began again
The day you took my hand

1.Refrão And yes I know how lonely life can be
The shadows follow me
And the night won't set me free
But I don't let the evening get me down
Now that you're around me

2.Verso And you love me too
Your thought are just for me
You set my spirit free
I'm happy that you do

The book of life is breif
And once a page is read
All but love is dead
That is my belief

2.Refrão And yes I know how loveless life can be
The shadows follow me
And the night won't set me free
But I won't let the evening bring me down
Now that you're around me

3.Verso And I love you so
The people ask me how
How I've lived till now
I tell them|- I don't know
