

# Don McLean - Chain Lighting

Tom: **G**  
Intro: **Em**

Verse 1:

**Em** Sometimes when I'm thinkin' that love's not around  
**Am** My heart begins sinkin', I don't hear a sound  
**Em** And the world is in blackness, no light shines on me  
**Am** I suffer no blindness, no one can I see  
**Em** Then a flash from the heavens like a loud jagged wire  
**Am** And the silence is broken, and the night is on fire.

Chorus:

**Em** It's like chain lightning, this love that I feel.  
**Am** Who know's where it strikes or when it will hit,  
**Am** How long it will last, or when..... it will quit.

Chords repeated for rest of song:

Verse 2:

In the forest I'm burning, struck down by the blast  
 The fever is churning, and the heat rises fast.  
 and those standing nearest can show their concern  
 but I swear if they touch me that they too will burn.  
 They fear for their lives for death will soon dwell  
 in the warmth of your love is the fire of hell.

(Chorus)

Verse 3:

And soon the sparks scatter and wind whips the flame  
 and love will soon shatter what it cannot tame  
 and the cycle continues, from life into dust  
 for I am now in you with the fire of lust.  
 And I hear the explosion, of thunder and rain,  
 the water is falling, the ashes remain.

(Chorus)

Verse 4:

The Indian's tell us that the Phoenix can rise  
 from the smoldering ashes that once were my eyes  
 and watch beautiful colours from black and from grey  
 be formed into wings and take me away  
 where evil is darkness and goodness is light  
 and love is the lightning that cuts through the night  
 and strikes only once in a dark place in time  
 and forms a gold stairway that all of us climb.

## Acordes
