

# Donavon Frankenreiter - All Around Us

Tom: **C**  
Intro: **C C Am Am F G C**

( **C C Am Am F G C** )  
It's six in the morning and not a place to go  
My mind is running  
But I don't know  
When to speed up, even slow down  
This road here laughs at me like I'm a clown

( **F G C** )  
But you got to go around the world that's around you  
Go out on the streets that surround you  
One day we'll all be taught  
Love is all we got  
I said , love is all we got

( **C C Am Am F G C** )  
A sense of worth when the day is done  
'Cause you tried your hardest out on the run  
You look back and wonder if it's all worth it  
But you can never put a price on the days that we're perfect

Refrão:  
( **F G C** )  
But you got to go around the world that's around you  
Go out on the streets that surround you  
One day we'll all be tired  
Love is all we got,

( **C C Am Am F G C** )  
got, got baby  
Love is all we got  
You know we got, got, got, baby

Love is all we got

( **Bb F C** )  
Go Out and find some  
Find some love  
Go out and find some  
Find some love  
Go out and find some  
Go out and find some love ( **Bb F G** )

( **C C Am Am F G C** )  
Well I don't know if you love or hate it  
But it's better than a book in a room that is faded  
So cover up these scars that are on my feet  
With only the beautiful pictures of all the people we meet

( **F G C** )  
But you got to go around the world that's around you  
Go out on the streets that surround you  
One day we'll all be taught  
I said, love is all we  
( **C C Am Am F G C** )  
got, got, got, baby  
Love is all we got  
I said we got, got baby  
Love is all we got

( **Bb F C** )  
Oh find some love, find some love  
You got to, you got to find some love  
Why don't you, oh why don't you find some love  
You just got to go out on the streets that surround you  
You just got to go around the world that's around you  
You just got to find some, find some, find some love
