Some folks are born made to wave the flag
                                                                Yeh, some folks inherit star spangled eyes
Ooh, they're red, white and blue
                                                                                          G
                                                                Ooh, they send you down to war, Lord
And when the band plays "Hail To The Chief"
                                                                                      F
                                                                And when you ask them, how much should we give
                             G
Oh, they point the cannon at you, Lord
                                                                                       G
                                                                Oh, they only answer, more, more, more, yoh
