Donna Missal - Girl

Tom: D

```
                    C              Bm
Girl, you got me all fucked up
I'm in my feelings
C   D         C            Bm
Oh girl, I had enough, just stop
```

[Primeira Parte]

```
D                 Em
I hate it how I fold up like a flower
            Bm
When you talk to me so tough
D                           Em
I'm keeping my back upon the wall
                Bm
All night, I grow tired
```

[Pré-Refrão]

```
D                    Em
Now I don't want a problem
G
Think we all have enough
Bm                      A
And I don't have the answers
            G
We could start by backing off
```

[Refrão]

```
D                 C           Bm
Girl, you got me all fucked up

I'm in my feelings
C   D              C           Bm
Oh girl, I had enough, just stop
                    D
We're only human
            Em
I know, you don't mean it
Bm                    C      Em
Still I take it all so personal
D              C          Bm
Girl, you got me all fucked up
```

[Segunda Parte]

```
D                     Em
I hate it how your eyes glaze over
              Bm
When I'm talking, na, na, na
D                 Em
Like nothing I say even matters
             Bm
You're just watching, yeah
```

[Pré-Refrão]

```
D                    Em
Now I don't want a problem
G
But who are you to judge?
```

```
D                          A
And I don't have the answers
            G
We could start by backing off
```

[Refrão]

```
D                 C           Bm
Girl, you got me all fucked up

I'm in my feelings
C   D              C           Bm
Oh girl, I had enough, just stop
                    D
We're only human
            Em
I know, you don't mean it
Bm                    C      Em
Still I take it all so personal
D              C          Bm        G
Girl, you got me all fucked up
```

[Ponte]

```
           D
I don't wanna steal your man
           C
I'm not hanging with your friends
        Em
I've no one to impress
     Bm                    D
So why are you upsetting, stressing over nothing?
C                Em
Hide in my apartment, shaming for my presence
Bm                       D
Thinking I did something wrong
                     Em
But I wouldn't choose this
             G
When women hate on another women
              Bm     A    Abm
Everybody loses, yeah, hey
```
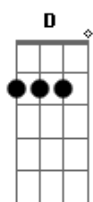

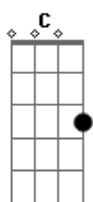

[Refrão]

```
D                 C           Bm
Girl, you got me all fucked up

I'm in my feelings
C   D              C           Bm
Oh girl, I had enough, just stop
                    D
We're only human
            Em
I know, you don't mean it
Bm                    C      Em
Still I take it all so personal
D              C          Bm
Girl, you got me all fucked up
D              C          Bm
Girl, you got me all fucked up

I'm in my feelings
C   D              C           Bm
Oh girl, I had enough, just stop
```
