D
Only give me love when i?m giving it back
        E                          Bm
But you say you?ll never be my friend
D
Always on the train never on the track
       B                   G
So i?m jumping before the crash
          D
I know you?re just trying to scare me
          G
But you lost all of your effect
          D
You can bark like a dog baring your teeth
          G
But i?m never going back again
          A

             G
Babe, it?s true

                         Bm        A       D                  G
What?s left to prove? tried so many damn times to cut you
loose
         Bm      A    D                G
Now i?m way too far away to be hurt by you

       D
You call to say you?re better i know better than that
             G
You?re just looking for some sympathy
       D
It?s not about you or somebody new
   G
This time it?s about me
      D
And i know you?re gonna say i?m selfish
      G
And i know you?re gonna think it?s mean
        D
But you show up at my house in the middle of the night
       G
Saying i?m the one that?s crazy
