Brother Sun, Sister Moon - one of my favorite movies. I hope that the tab is correct :)

```

4   5   -5  6
Bro - o - ther sun
6 -6  6 -5  -6  6
and si - i - i - ster moon,
8 -7  7 -6  5
I seldom see you,
5 -5  5 -4  4
i can't hear your tune;

```

Preoccupied with selfish misery.

Brother wind and sister air,  
Open my eyes to visions pure and fair,  
That i might see the glories around me.

I am god's creature, of him i am part,  
I feel his love awakening my heart.

Brother sun and sister moon,  
Often i see you, i can hear your tune;  
So much in love with all that i survey.

I am god's creature, of him i am part,  
I feel his love awakening my heart.
