Standard Tuning

Use your thumb to press down the low E string. The entire song Yeah, strange young girls with radar screens and hands as is this simple arpeggio.

quick as hate

Standing by the Everyman digging the rigging on my sail Rain fell through sounds of harpsichords to the spell of fairy tales

The heath was hung in magic mists, enchanted dripping glades

I'll taste the tastes until my mind drifts from this scene and fades  $\frac{1}{2} \left( \frac{1}{2} \right) = \frac{1}{2} \left( \frac{1}{2} \right) \left( \frac{1}{2}$ 

In the night time

Crystals sparkle in the grass, I polish them with thought On my lash, there in my eye a star of light is caught Fortunes told in grains of sand, here I am is all I know Candy stuck in children's hair everywhere I go In the night time

Gypsy is the clown of love I paint his face a smile Anyone we ever make we always make in style Yeah, strange young girls with radar screens and hands as quick as hate

 $\dot{\mathbf{I}}$  won't just now, later on maybe, and even then I'll wait In the night time

Standing by the Everyman digging the rigging on my sail Rain fell through sounds of harpsichords to the spell of fairy tales

The heath was hung in magic mists, enchanted dripping glades

I'll taste the tastes until my mind drifts from this scene and fades  $% \left( 1\right) =\left( 1\right) +\left( 1\right$
