For the chorus when u get to g just listen to the song becuz the stuff on the b string along with what he's singing so ya so u dont get all pissed about that not working. i have some stuff you can play around with for this song its part of the solo its at first a basic **C** major scale. then starts goin in more of a G.

and basically the first part is played on the 15th fret and all that. and then he gpes but i always forget it so ya have fun figure it out. see ya peace if you want to yell at me becuz you think im stupid or this is all wrong then go for it email me about it.
