F E  
Must have truly sounded crass  
Am E7  
Well, I stood up on my feet  
F E  
I fell back down on my ass  
Am E7  
They must see I'm sick  
F E  
Twisted to the core

Am E7 F E  
It's something I don't know how to explain  
Am E7  
How this parasite inside me's  
F E  
Rearranging my entire brain  
Am E7  
I swear sometimes I feel  
F E  
As though I've gone insane  
Then I see I really wanted more

Am E7 F E  
Looks like I've dug this hole I'm in too soon  
Am E7  
I ain't got no moons to light this road  
F E  
That I've been travelling blue  
Am E7  
I've been stuck here with these folks  
F E  
That I know

Who left that ghost behind to show me  
F E  
How to smile when I'm thinking of you

( Am E7 F E )  
( Am E7 F E )
