**Dm**

**Dm | Am | Bb | Gm**

[Verse 1]

**Dm** I will bring you flowers in the morning  
**Bb** Wild roses as the sun begins to shine  
**Bb** Sweet perfume and tiny jewel caskets  
**Bb** If I thought you ever changed your mind

**Dm** I will take you where the music's sweetest  
**Bb** And feed your winter fruits and summer wine  
**Bb** I'll show you things you'd only seen in story books  
**Bb** If I thought you'd ever changed your mind

[Chorus]

**D** I will bring you happiness wrapped up in a box and tied with a yellow bow?  
**Em** I will bring you rainbow skies  
**A** Summer rain to make your garden grow  
**Bm** And in the winter snow, my songs will keep you from the cold

**Am | Bb | Gm**

[Verse 2]

But what use are flowers in the morning  
 When the garden they should grow in is not mine  
 And what use are sunshine when you're crying  
 And my fallen tears are mingled with the wine?

**D** I will bring you happiness wrapped up in a box and tied with a yellow bow?  
**Em** I will bring you rainbow skies  
**A** Summer rain to make your garden grow  
**Bm** And in the winter snow, my songs will keep you from the cold
