tom:
 G D Em C
 G
 Everybody told me walk away
 C
 It isn't worth the fight
 Em
 Don't make waves and don't look back
 C
 And you'll be fine, yeah, right
 Am
 Turns out that's not who I am
 C.
 Or who I want to be
 Em C
 So I'm gonna try to simplify
 G D
 And be the perfectly imperfect me
 G
 I'm flying blind, but I know I'll find my destiny
 D Em
 I'm ready to do whatever it takes, my destiny
 C
 And I'm not afraid of making mistakes
 G D
 It might not be smart to lead with my heart

Em C
 But that's how it's gonna be
 G
 No dream too small
 D
 Giving it my all
 G
 That's my destiny
 Every day's a crazy ride
 But I'll stay strong because I
 G
 I decide my destiny
 D Em
 Facing a long and difficult climb, my destiny
 C
 Learning to trust the mysteries of time
 G D
 There's not much of a plot, so like it or not
 Em C
 Gonna have to wait and see
 G
 I'll rise, I'll fall
 C
 And heed the call
 D C
 That's my destiny
