

# Dove Cameron - My Destiny

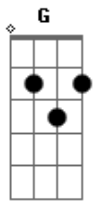

tom:

Intro: G D Em C

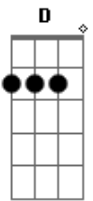

G  
Everybody told me walk away  
C  
It isn't worth the fight  
Em  
Don't make waves and don't look back  
C  
And you'll be fine, yeah, right  
G  
Turns out that's not who I am  
C  
Or who I want to be  
Em C  
So I'm gonna try to simplify  
G D  
And be the perfectly imperfect me  
G  
I'm flying blind, but I know I'll find my destiny  
D Em  
I'm ready to do whatever it takes, my destiny  
C  
And I'm not afraid of making mistakes  
G D  
It might not be smart to lead with my heart  
Em C

But that's how it's gonna be  
G  
No dream too small  
D  
Giving it my all  
G  
That's my destiny  
Every day's a crazy ride  
But I'll stay strong because I  
G  
I decide my destiny  
D Em  
Facing a long and difficult climb, my destiny  
C  
Learning to trust the mysteries of time  
G D  
There's not much of a plot, so like it or not  
Em C  
Gonna have to wait and see  
G  
I'll rise, I'll fall  
C  
And heed the call  
D C  
That's my destiny
