

Dpr Ian - Scaredy Cat

tom:
Capostrate na 1ª casa

I think I'm scared of all the signs
Don't ever leave me alone at night
I think I'm scared (I think I'm scared)
I don't know why (I don't know why)
Just leave the lights on
And close the blinds

Because I'm a scaredy cat
(Please) No more heart attacks
Because I'm a scaredy cat
(Please) No more heart attacks

I think I'm scared
I have no time (he has no time)
I scream out loud just
To see if I'm alive
I think I'm scared
I don't know why (I don't know why)
So leave the lights on
I'll stay inside

Because I'm a scaredy cat
(Please) No more heart attacks
Because I'm a scaredy cat
(Please) No more heart attacks

Dial 911
I'm calling from under my bed
(under my bed)
It's hard to breath when you're not there

(you're not there)
I find everything a nightmare
(a nightmare)
Sometimes I know you don't care
But I feel like
I'm disappearing in a hole
And nobody will know (know)
Nobody will go (except when I'm with you)
Sitting in my room alone
And nobody will know (know)
Nobody will go (except when I'm with you)

Why does no one understand
When I say I am just afraid?
Why does no one lend a hand
When I say I will drift away?
And there are clouds in disguise (I know)
And I'm always terrified
They might just rain on me
I'm losing my mind (I know)
But I think I'll be alright
Just hold my hands you'll see

Because I'm a scaredy cat
(Please) No more heart attacks
Because I'm a scaredy cat
(Please) No more heart attacks

Because I'm a scaredy cat
(Please) No more heart attacks
Because I'm a scaredy cat
(Please) No more heart attacks
