

Dragon Age - Nightgale's Eyes

Tom: G

Dm **Am**
 Nightingale's eyes, what secret lies,
C
 In their worth?
Dm
 Raven's tears they cry
Am
 But all the while
C
 They softly lie and spy on you
Dm
 Nightingale's eyes
Am
 What will they find
C
 Left behind?
Dm
 Craven master spy
Am
 With heart remiss
C
 For those who could not find the truth
Em
 We're blinded
G
 So we're hiding
D **B**
 Dying to be
Em
 We're hiding
G

From the fighting
D **B**
 Longing to see
Em
 We're waiting
G **D**
 For someone to speak
B **Em** **G** **Em**
 And set us all free
Dm
 Nightingale's eyes
Am
 Can free the ties
C
 On our hands
Dm
 Craven master spies
Am
 Can they find
C
 The key that can unlock the past?
Em
 We're hiding
G
 From the fighting
D **B**
 Longing to see
Em
 We're waiting
G **D**
 For someone to speak
B **Em** **G** **Em**
 And set us all free
