D
Coming down from the mountain ranges
For the battle of ancient ages

Fight hard for the warrior soul
Wage war, ride on 'til our destiny calls

Through the valley of black wind, burning sun
See the warrior fight, the time has come
G
Fight on for the powerful Lord
March on, stand strong 'til the end of the world
A
When the sun and stars will align again
G
And the land is dark and gone

And the ring of fire will be born again

For the one

The fire in our hearts, in our song
